How to get here:

We are about a 7 hour drive from the channel ports (Calais, Caen, St. Malo etc.). Easiest access is to leave the A20 motoway at Limoges junction 36 and continue on the D704 via St. Yrieix-la-Perche to Cherveix Cubas (about 40 minutes). From the south Cherveix Cubas is about 15 minutes from junction 17 (Thenon) of the A89 motorway.

Arriving at Cherveix Cubas from the north on the D704 pass through the centre of the village then take the turning on the right which is the D77 signposted to Boisseuilh, Coujours and other places. You will find us just 100 metres from the turning on the right hand side.

To find us by GPS you will need to enter the following coordinates (full decimal):

N45.29253 E001.12662

Entering our street address and postcode will usually mean you'll end up at the same address but in Hautefort – such is the vagueness of the French address system
